

GENERAL PRICE LIST

These prices are effective as of December 28, 2018, but are subject to change without notice.

Payment for goods and services are due at the time arrangements are complete, unless other financial arrangements have been made. For your convenience we accept cash, check, credit card (Visa, MasterCard, Discover) or an approved insurance assignment filed by our 3rd party representative.

The goods and services shown below are those we can provide to our customers. You may choose only these items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

“Prior to drafting any contract for goods or services, the responsible party or the decedent’s survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the deceased”

Federal and State agencies have determined that itemization of funeral services is essential for the benefit of the general public, to assure that consumers are not asked to pay for services they do not receive. It is essential that each item of service, in addition to our basic fee for services, be identified. In all categories of service, a basic fee will be charged, plus a fee for each requested or required item of service. However, the complete and total quotation for direct cremation without formalities is all-inclusive. Other options are also available. It is our sincere concern that every requirement you may have be fulfilled, in addition or apart from our standard offerings as listed herein. Please feel free to express yourself to our counselor. We will make every effort to meet your needs.

On behalf of The Perez Family & Staff, “Thank you for your trust to serve your family. We want every family that comes to us for assistance to know that we care and will treat them as part of our family”.
